DON G. BLACKBURN AWARD

Donald G. Blackburn Award

Each year, NAJCA recognizes an outstanding individual in the juvenile justice field through the presentation of the Donald G. Blackburn Award. This award recognizes one who has made a substantial contribution to juvenile justice administration, programming, research or practice that has made a genuine impact on the lives of youth and/or the larger society in which youth are a part. The Donald G. Blackburn Award is named for Donald G. Blackburn, who was the Secretary-Treasurer of the Association for many years.
